

Retrofit Agati Downlight

Electrical Paramaters

Base Model No.:	LL.482.05.01-B
LED Manufacturer:	Philips
Colours:	White, Black + Aluminium
Wattage:	5W
Beam Angle:	36°
CCT:	3000K
IP Rating:	IP 20
CRI:	Ra+80

Features

- Recessed downlight for GU10 socket retrofit light-sources.
- Available with Matt White Texture Powdercoating or with Black/Alu doutone color (Aluminium frame + Black inside).
- Dimming is dependant on the used retrofit lamp. Agati is available with a Philips GU10 LED lamp.
- Wide range of possibilities using retrofit lamps.
- When using decent LED lamps, this downlight is very cost-effective.
